20 April 2012  
LOG# 1052585

TO: Chief Administrator

FROM: Supervisor George Roberts #20

SUBJECT: Inability to Obtain Taser Download

On 19 April 2012 Sgt. Kevin Barry informed Intake Aide Lisa Tousant via e-mail that he wasn't able to obtain the taser download for Notification # 10525585. Sgt. Barry reported that the problem was not computer related but related to the taser, **(X00-547548)** which contained an inaccurate date of December 2008, this prevented the taser from downloading.

Based off this information the R/S will approve the Taser Notification for Log # 1052585 without a taser download.

Lisa,  
I was unable to download that taser after the discharge. It was a problem with the taser itself, not our computers. The date/time was off, (the taser date was december 2008) which would not allow a download, and I needed an administrator password to change it. Help desk could not help with the problem that night, and second watch was sending the taser to the armorer for maintenance.

I have since been detailed out of the 006th district, so I am not sure if the taser is back in the district or not to go back and try another download.
